

2019 WEALTH MANAGEMENT PROGRAM SUMMER ANALYST OPPORTUNITY - ASIA

Hong Kong | Singapore

Spend your summer working with our industry leading experts - customizing wealth management solutions for global clients. You'll explore the Wealth Management business while building your own expertise in a dynamic team environment for a [leading client franchise](#).

What You Can Expect

You'll [work on teams](#) to understand client needs, research fund information and examine market activities - developing and executing strategies that help clients meet their financial goals.

*"I've learned a lot about our clients from working across specific products within each asset class."
- Arman, Vice President*

This 10-week program kicks off with orientation in Hong Kong where we give you the technical and practical knowledge for you to make an impact from the start. Then you'll join a team as an Integrated Team Analyst.

Integrated Team Analysts will work in partnership with our bankers, global investment specialists and estate experts to help recommend investment and wealth management solutions that protect, manage and grow our clients' portfolios.

Training continues throughout the summer with one-on-one mentorship, advisory and ongoing events to grow your professional network. You may receive an offer of full-time employment upon successful completion of the program.

About You

We're looking for highly driven individuals with the initiative and confidence to craft complex financial solutions that support our clients' needs in the evolving financial markets.

Key Qualifications:

- Exceptional interpersonal, communication, analytical and problem-solving skills
- Excellent organizational skills and ability to multitask
- Genuine interest in financial markets and macro-level economic trends
- Strong analytical skills
- Ability to thrive in a fast-paced, collaborative environment
