Your career. Your way.

Love getting lost in the numbers? Explore the world of Asset Management through our case study challenge. You'll work with a team of up to five members to put your strategic thinking to practical use and solve complex problems. You'll gain knowledge of how the business works with exposure to asset allocation, client management and scenario analysis. Country finalists will compete regionally for the opportunity to interview with the firm.

Register by 26 December for your chance to come along to our Asset Management Challenge Launch Event. You'll hear from senior leaders, learn about our opportunities and 2017 Asset Management Challenge.

We're looking forward to meeting you.
