Industrial Design Intern

TieBam, Inc is a US based company establishing its manufacturing facility in Taiwan. Revolutionizing the railroad track industry with the development of a patent-pending process to provide an eco-friendly alternative to traditional wood or concrete railroad ties. See TieBam.com

Intern:

We are seeking a driven, ambitious individual who is interested in a career in industrial design. We provide guidance and support, as well as the opportunity to experience the industry from the inside and gain valuable work experience.

Experience/knowledge:

- Prepare design drawings to include plant layouts, general arrangements, storage, and equipment layout.
- Perform field surveys of existing process piping systems
- Self-motivated and able to produce high-quality results
- 3D modeling, equipment/storage layout, and details.
- Proficient in the use of AutoDesk/AutoCAD Plant 3D

Requirements:

Currently attending Master's degree program or possess a related degree
Fluent in English and bachelor's degree from recognized university
Hardworking and dedicated, positive outlook
Ability to work on own initiative and absorb information quickly

Location/Compensation/Start date:

Part-time or full time considered. Work from our Taipei office/ factory facility and remotely. Compensation 200NTD/hr 25000 /ft NTD. Flexible start date.

Contact:

Applicants should provide an English only resume and cover letter to Jason@TieBam.com. This is an excellent opportunity for the right person.

Good luck!
