Asset & Wealth Management Challenge

Explore the world of Asset & Wealth Management through our case study challenge. Work with like-minded teammates of your choice by putting your skills together to solve a hypothetical case study.

You'll gain valuable knowledge of how the finance business works with exposure to asset allocation, client management and scenario analysis. You'll develop valuable industry knowledge, communication and analytical skills.

Those who perform well may have the opportunity to have their application prioritized for review in consideration for our upcoming summer internships.

Eligibility

Students enrolled in a Bachelor's Degree Program graduating between September 2022 and July 2023.
