

VYSIONEER

醫療AI新創 醫隼智慧 校園徵才計畫

VYSIONEER INC. 2021 Campus Recruiting

醫隼智慧(Vysioneer)是由美國麻州總醫院(Massachusetts General Hospital)人工智慧科學家、麻省理工學院(MIT)校友及學生共同成立的新創公司。我們利用最頂尖的人工智慧技術及經驗，輔助臨床醫師診斷及治療，目前已和台大醫院及美國一級醫學中心合作，目標打造世界級的醫療人工智慧系統，達到精準醫療的目的。

Vysioneer (醫隼智慧) is a growing AI for Healthcare Startup based in Taipei and Boston. We're a team of leading scientists, clinicians, and business professionals from top healthcare and technology organizations. We set out the vision to be a pioneer of transforming the healthcare system by using Artificial Intelligence to streamline clinical workflows and support informed decision making.

About the Role

We are looking for a **Business Analyst Intern** to join our Business and Operations team based in Taipei. Working in a startup, you would cover a wide and mixed range of responsibilities including market research, HR, marketing, and finance. We are looking for a candidate who can get your hands dirty but also think strategically.

Requirements

- Strong problem-solving capability and self-motivated/result-driven
- Able to work 10 hours per week remotely during spring semester and 8 weeks over the summer
 - your team members are based in Boston, Taiwan and Korea/Japan
 - you may need to visit our Taipei office 1-2 times per month
 - this role potentially leads to a full-time position starting from Sep 2022

Application

Please submit your resume to Yu-Shan Yang (yushany@vysioneer.com)
