Marketing Internship – REMONDIS Taiwan

What do you have to do?

YOU will be responsible for the development of a short- to medium-term marketing plan for our company in Taiwan. To do so, YOU will do all necessary academic literature research and apply the already acquired knowledge from studying to design a theoretical scheme for developing a marketing plan. Together with a supervisor, YOU will then work along this scheme until the internship ends after 2 months with the submission of the final marketing plan and a presentation of such in front of the management.

How long would we like to work together with you?

- July 1st – August 31st, 2020
- 3 days per week (8 hours /day)
- Salary: TWD 250 per hour

What qualifications should you bring?

- Marketing undergrad major, second year preferred
- Strong interpersonal and communication skills
- Outgoing personality
- Fluent in English

Where will you work?

In our main office in Taipei on Keelung Road. Your MRT station would be Taipei City Hall.
**Who are we?**

In short, we are an *environmental protection company* headquartered in Germany. REMONDIS is Germany’s biggest recycling company and has subsidiaries all around the world, including, Russia, Australia, China and for sure… also in Taiwan. With our activities in plastic recycling and solidification here in Taiwan, we are doing our part to create a cleaner and greener island.

The environmental protection- and recycling business is a fast-growing industry with some studies expecting the global waste management market growing from US$285 billion in 2016 to US$435 billion by 2023.

By stepping into this with this internship, YOU will have the unique chance to get a first-hand insight in how much potential this industry will have over the coming years and learn directly from our German experts.

We welcome YOU warmly helping us to grow further here in Taiwan, so feel free to send your application in English to hueijyun.chen@remondis.com.tw
